---

COLONY POLICY FOR POSITIVE RESULT:

a = immediate termination; b = planned future recycle of the colony; c = no action.

TESTING SCHEDULE:

d = screened every four weeks; e = screened quarterly; f = screened annually; g = screened quarterly by clinical exam.

h = results do not include incidental or strain related findings; significant findings would result in immediate termination of the colony.

Data shown are representative of the colony; please contact Technical Services at 800-338-9680 for more information on any positive findings appearing in this report as well as assistance in interpreting them.
