STUDENT VETERINARIAN SCHOLARSHIP for the annual Charles River Short Course

CHECK OUT THE FIELD OF LABORATORY ANIMAL SCIENCE?

The Charles River CHARTER Program is proud to sponsor a limited number of scholarships for the annual Charles River Short Course.

This popular educational opportunity fills up fast and often has a waiting list for openings; however, each year we save a few spots for veterinary students.

Topics include the biology and care of common laboratory animals used in research, personal protection equipment and practices, animal welfare, and genetics and imaging. This year's Short Course also includes a day on practical animal behavior. The 2012 Short Course has been approved for CE credit.

The scholarships include registration, five nights lodging at the Short Course hotel, most meals, and up to \$500 for travel expenses. Junior veterinary students are eligible to apply. Applications are available at www.criver.com under "courses & seminars". Applications should include two references from faculty of the applicant's school of veterinary medicine and a one-page essay outlining why you would like to attend the Short Course.

Applications should be sent to:

Dr. Marilyn Brown, Vice President,
Charles River CHARTER Program
251 Ballardvale Street,
Wilmington, MA 01887
marilyn.brown@crl.com

Applications must be received by April 2, 2012.

Winners will be notified by May 2, 2012.
