

Charles River **SHORTCOURSE**

June 12-15, 2017

VETERINARY STUDENT SCHOLARSHIP for the annual Charles River Short Course

Explore the Field of Laboratory Animal Science.

The Charles River CHARTER Program is proud to sponsor a limited number of scholarships for the annual Charles River Short Course on laboratory animal science.

This popular educational opportunity fills up fast and often has a waiting list for openings; however, each year we save a few spots for veterinary students.

This year's course will be held in Mashantucket, Connecticut, from June 12-15, 2017, and topics include infectious disease, animal facility management, and animal behavior and enrichment. The scholarships are available to incoming or outgoing Juniors only. Applications should include two references from faculty of the applicant's school of veterinary medicine and a one-page essay outlining why you would like to attend the short course.

Participants are eligible to receive CE credits, and scholarship winners receive a complimentary registration, five nights lodging at the hotel, and up to \$500 for travel expenses. Please visit www.criver.com/sc-scholarships for applications.

APPLICATIONS SHOULD BE SENT TO:

Dr. Marilyn Brown, Vice President | Charles River CHARTER Program
251 Ballardvale Street | Wilmington, MA 01887 | marilyn.brown@crl.com

*Applications must be received by April 1, 2017.
Winners will be notified by May 1, 2017.*
