\* dashes indicate not tested during specified period.

HOUSED STRAINS

Inbred  
BALB/C

COLONY POLICY FOR POSITIVE RESULT: a = immediate termination; b = planned future recycle of the colony; c = no action.

TESTING SCHEDULE: d = screened every four weeks; e = screened quarterly; f = screened annually; g = screened quarterly by necropsy examination.

h = results do not include incidental or strain related findings; significant findings would result in immediate termination of the colony.
