

““ Do You Have the Immunology
Services & Expertise I Need? ””

SIMPLY, YES.

Gain insight from the collective experience of our 150 in-house immunologists, employed across 10 sites that offer optimal flexibility and rapid study starts.* Progress the best version of your drug from discovery to safety and beyond with access to advanced technologies and methods.

*3–6 weeks from signature to study start

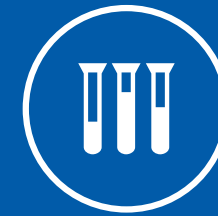

OUR EUROPEAN FOOTPRINT

5 Discovery facilities

85 Immunologists

5 Safety facilities

65 Immunologists

FLOW CYTOMETRY

9

Flow Cytometers, up to 18-color panels

10

Scientists

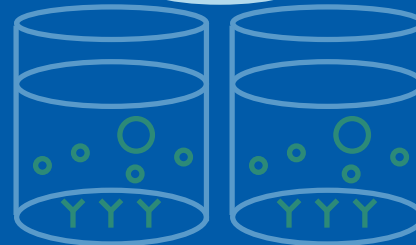

90

Studies per year

25,000+ Samples per year

ELISPOT

20 Studies per year

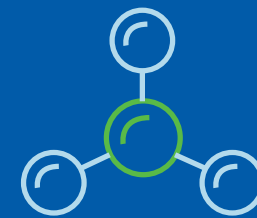

CYTOKINE ANALYSIS & INFLAMMATORY BIOMARKERS

47

Biomarkers

100

Studies per year

25,000+ Samples per year
