Scholarship

for the annual Charles River Short Course on Laboratory Animal Science

The Charles River CHARTER (Commitment to Human Animal Research Through Excellence and Responsibility) Program is proud to sponsor a limited number of scholarships for the Charles River Short Course on laboratory animal science.

If you are currently a first or second year resident in an ACLAM-recognized training program or a veterinarian or veterinary technician with less than 5 years' experience and working full-time in a research animal facility, please consider applying for a scholarship for the Charles River Short Course.

This year's course will be held in Carlsbad, California from June 22-24, 2020, and topics include animal behavior and enrichment, infectious disease and management. Scholarship winners will have 6 months of viewing access to the recorded presentations, in a secure environment from anywhere in world.

All scholarship winners will receive a complimentary registration. Residents and veterinary technicians will receive 3 nights hotel and \$500 USD to offset travel expenses.

For applications please visit www.criver.com.
