## Ordering Instructions

Questions? [askcharlesriver@crl.com](mailto:askcharlesriver@crl.com) [www.criver.com/info/dx](http://www.criver.com/info/dx)

**If you are having trouble filling out, saving or sending this form, please make sure you have downloaded the latest version of Acrobat Reader, a free program available at [adobe.com](http://adobe.com).**

Please make sure you fill out the Ship To, Bill To and Payment sections completely; missing information may result in a delay.

Following the completion of your order, your reagents will be shipped within 10 business days. If you need your reagents by a certain date, please include this in the "Desired Ship Date" field; we will do our best to accommodate. If an emergency rush order is necessary, please contact us to discuss your options.

Once the form is completely filled out, click "Submit by Email" (below) to send order PDF automatically or attach to an email to [crl\\_reagents@crl.com](mailto:crl_reagents@crl.com). Once your order has been placed, you will receive an email with the order number, total cost with shipping charges, and the anticipated shipping date for your order.

**Charles River cannot accept returns of reagents. We do our best to eliminate the possibility of errors when placing orders. If an error should occur, contact us and we will assist you with the disposal of materials and reordering of other reagents.**

***Serology reagents are for research purposes only. Commercial use of requires specific licensing.***
