

NOTICE TO ACADEMIC AND NON-PROFIT PURCHASERS OF THE IMMORTOMOUSE®

ImmortoMouse® mice purchased from Charles River Laboratories, progeny and derivatives thereof (including but not limited to cells and cell lines grown from ImmortoMouse® and materials produced thereby) must be maintained within the sole possession and control of the purchaser, cannot be transferred to any third parties without the prior written consent of Charles River Laboratories and can only be used by the purchaser for academic, non-commercial research purposes.

ImmortoMouse® mice are produced and distributed by Charles River Laboratories under licenses granted by the Ludwig Institute for Cancer Research. Inquiries regarding the use of the ImmortoMouse® for commercial purposes including research use by for-profit companies should be directed to:

Dr. Jonathan C. A. Skipper
Ludwig Institute for Cancer Research
